Greetings from the Triangle Alumni Club of Phi Delta Theta! Last year at this time, we sent a notice to all Phi Delt alumni who call the Triangle home, regardless of where they went to college. The list from General Headquarters was hundreds of names long – impressive. Dozens of you signed up for membership, and many attended our functions during the year.

In addition to establishing a membership model and attracting nearly 60 members, our activities in 2008 included:

- Launch of our own website: **http://triangle.phideltatheta.org**
- Spring alumni social
- Occasional Dutch-treat lunch at area restaurants for fellowship and networking

It's time to renew your membership for 2009 – or to join for the first time. Your funds help pay for basic operating costs of running the Club (PO Box, website, mailings, the Alumni Social, and more). The Club also has responsibility for buying and presenting the Legionnaire certificates and pins to those who have hit anniversary milestones.

Please complete the enclosed form and return it right away. We ask that you do so even if you are not in a position to actively participate – your funds help to ensure we can do our part to advance the values of Phi Delta Theta, including exposing our local chapters to a broad base of alumni. And thanks for considering a donation above your basic dues – a number of you did this last year and it helped keep our dues low, yet cover our modest expenses.
